

## REMUNERATION POLICY FOR THE SUPERVISORY BOARD

This remuneration policy is adopted by the General Meeting on 30 June 2020 to be consistent with the new requirements of the Dutch Civil Code. This remuneration policy shall be posted on the website of IMCD N.V. ("IMCD" or the "Company").

The General Meeting determines the remuneration package for the members of the Supervisory Board upon a proposal by the Supervisory Board.

### Objectives

With this remuneration policy for the Supervisory Board, IMCD aims to be able attract, motivate and retain highly skilled individuals with the right balance of qualities, capabilities, profile and experience, as may from time to time be needed to oversee the (execution of the) Company's strategy and performance, as well as to act as advisors to the members of the Management Board in support of their focus on long-term growth and sustainable success of the Company and its business.

The amount and level of the remuneration of the members of the Supervisory Board contributes to the Company's strategy, long-term interest and sustainability and should reflect the time spent by, and the responsibilities of such Supervisory Board member. Given the nature of responsibilities of the Supervisory Board, the remuneration will not be dependent on the results of IMCD; it will consist of a fixed compensation only.

In line with the Dutch Corporate Governance Code, the members of the Supervisory Board do not receive shares, options for shares or similar rights to acquire shares as part of their remuneration.

As a reference, the Remuneration Committee may perform a benchmark with other companies of comparable size, complexity and international scope, to assess the position of the remuneration packages for the Supervisory Board in comparison with market practise and industry peers. If a benchmark investigation is performed, the peer group taken into account will be disclosed in the remuneration report of the respective year in which the benchmark took place.
