# IMCD Further Strengthens Latin America Presence, Rebranding Mexico Operations to IMCD Mexico

**ROTTERDAM, The Netherlands (3 April 2020)** – IMCD N.V. (“IMCD” or “Company”), a leading distributor of speciality chemicals and food ingredients, is pleased to announce that following the acquisition of Swiss-based DCS Pharma, it will be rebranding its Mexico operations to IMCD Mexico S.A. de C.V. (“IMCD Mexico”).

“We see tremendous opportunities for IMCD Mexico,” said Marcus Jordan, President of Americas, IMCD. “Many of our existing and prospective suppliers are seeking a reliable, speciality-focused partner to develop their business across a variety of markets in Mexico. IMCD is now in a position to support them in their growth plans.”

To further support the IMCD Mexico growth strategy, IMCD will be expanding its headquarters in Mexico City and has recently recruited two additional senior business leaders. In addition to Andres Matesanz, IMCD Mexico General Manager and Pharmaceuticals Business Director, IMCD has appointed Miguel Ruiseñor as Food & Nutrition Director, Latin America and Miriam Rodriguez, who will lead IMCD Mexico’s Home & Personal Care business.

“Having strong market-focused experts is critical to our business model,” continued Jordan. “There is great potential with the Mexico-based leadership we have assembled, and we look forward to accelerating our growth and coverage in all of IMCD’s core market segments in Mexico.”

IMCD first entered the Americas region through the acquisition of Makeni Chemicals in Brazil in 2013 and has since expanded into the United States (including Puerto Rico), Canada, Mexico, Colombia, Uruguay, Chile and Argentina.
