

D.ssa Barbara Pagano
HSEQ Manager
IMCD Italia S.p.A

We are pleased to confirm that IMCD Italia S.p.A is a member of AssICC and has willingly joined in 1998 our Responsible Care Programme and is duly complying with the eight Guiding Principles and the other commitments.

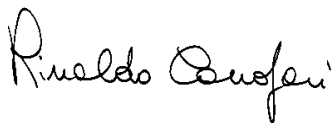

AssICC is the only Association representing in Italy chemical distributors and traders and is an important member of FECC (European Federation of Chemical Trade) and of ICCTA (International Council of Chemical Trade Associations) and all the major and important distribution and trading companies operating in Italy are its active members.

AssICC, since 1997, has adopted the ICCTA “Generic Responsible Distribution/ Responsible Care Programme” which was accepted by ICCA (International Council of Chemical Associations – producers).

At your disposal for any additional information you may require about our activities and our Responsible Care Programme,

Yours sincerely

Secretary General
Rinaldo Canofari
