

IMCD MEMBERSHIPS OF INDUSTRY OR OTHER ASSOCIATIONS

As a leading global chemical and ingredients distributor, IMCD engages with stakeholders on local, national, and international level through various associations across the chemical and ingredients industries. The list below provides an overview of the main memberships of industry or other associations, as held by IMCD (or employees/individuals on behalf of IMCD) in different regions.

This document was last updated on 19 December 2024. Although updates will take place on a regular basis, the list is provided without any claim to completeness.
